**BARGAINING BULLETIN #6**

**December 18, 2018**

**Your Union Bargaining Committee met in Ottawa on Monday, December 17.**

**We studied the answers the company provided to the list of questions we asked them the last time we met in October. We then put together a list of new questions and clarifications that we posed to the Company.**

**The Company told us today that they were unable to respond to our questions this week and required more time to get back to us. Once we receive those answers, we will once again analyze the responses before we can continue negotiations.**

**Our next dates for negotiation are in February 2019. Your current collective agreement will continue to be in force until a new collective agreement is ratified.**

**We will continue to update you as we move through the process.**

**Wishing you all a Happy and Safe Holiday Season!**
